What are the admissions deadlines for SUTD?	"\nThe admissions deadlines for SUTD are not explicitly stated in the provided context. However, based on the information provided, it can be inferred that the deadlines are likely to be in the month of March, as the application window is open from 23 February to 19 March 2024. Additionally, it is mentioned that applicants who have submitted an application will be notified by end April, and the outcome will be received by mid-May. Therefore, the deadlines for SUTD admissions are likely to be in the range of March to April."	"sources": [{ "page_content": "note that SAT\\xa0and AP scores are optional. 			•If you are currently in your final semester, you can apply by submitting results from your first five semesters and upload your final transcript when they are available.
			•Generally, diplomas from the School of Engineering, Information Technology, Architecture or Sciences are considered more relevant to SUTD's courses and are considered more favourably for admission. However, other diplomas may still be considered on a case-by-case basis.
			•More than just your GPA, we consider how you performed in the relevant subjects, e.g. Engineering/Computing Mathematics. Your grades in the advanced modules will also be considered favourably.
			•You should also possess a good pass in your Additional Mathematics and Science subjects, i.e. Physics or Chemistry, in the O-Level or equivalent qualification.
			•Please note that SAT and AP scores are optional.

If you are keen to be considered for SUTD scholarships (STEP Scholarship, SUTD Global Excellence Scholarship, SUTD Global Distinguished Scholarship, and SUTD Global Merit Scholarship) simply indicate your interest to apply for the scholarships in your admission application. Apart from the SUTD scholarships, many donors have also generously supported outstanding SUTD students who demonstrate academic excellence, leadership qualities, special talents, good moral character and strong community spirit with their scholarships. Beyond monetary benefits, the donor scholarships could provide you with exceptional learning opportunities, choice internship placements, and even employment at renowned organisations upon graduation. As many donor scholarships give special consideration to those with financial need, do apply for the donor scholarships as part of your financial aid application. 			The undergraduate degree programmes offered by SUTD are all on full-time basis only, and are as follows:
			
			  Bachelor of Science (Architecture and Sustainable Design) (8 terms), and an option to pursue two more terms to obtain Master of Architecture (i.e., total 10 terms)
			
			  Bachelor of Engineering (Computer Science and Design) (8 terms)
			
			  Bachelor of Science (Design and Artificial Intelligence) (8 terms)
			
			  Bachelor of Engineering (Engineering Product Development) (8 terms)
			
			  Bachelor of Engineering (Engineering Systems and Design) (8 terms)
			
			All undergraduate degrees are direct honours, and will be awarded by SUTD. More information can be found here.
			
			At the moment, we do not offer any part-time undergraduate courses. You may however consider open enrolment courses offered by the SUTD Academy.

			The grading may be based on a combination of homework, design projects (1D, 2D), class participation/activity, online quizzes, mid-term tests and final exams, with the weightages varying for different subjects.
			
			Students are graded on a GPA of 5.0. To help ease your transition to the university, all four subjects taken in the first Freshmore term are not graded. From the 2019 cohort onwards, students can also choose an additional two subjects from Freshmore terms 2 and 3 to be ungraded.

			Yes, Freshmores are required to reside at the hostel during Terms 1 and 2 including those who live near the campus, as residential living is an integrated part of the SUTD Freshmore experience, complementing the cohort-based learning in and out of classrooms.
			
			While there is no curfew and students are free to return home or go out to attend to personal matters, students are expected to observe stipulated quiet hours to minimise disturbance to fellow residents.

How much does it cost to stay on campus?"	**"\nThe cost of staying on campus is not explicitly stated in the provided context. However, based on the information provided, it can be inferred that the cost of tuition and other fees for the academic year 2020-2021 was $35,417 for undergraduate students. This information can be found in the document titled \" SUTD_AnnualReport_2020.pdf" in the \"Tuition and Other Fees, Net\" section. Additionally, there is a scholarship expense of $11,274 for the same academic year, which is deducted from the tuition fee. Therefore, the net cost of staying on campus, including tuition and other fees but excluding scholarship expenses, would be $24,225 for the academic year 2020-2021."**	"sources": [

"What are the key differences between Summer and other overseas programmes? Why should I even consider Summer?"	"\nThe key differences between Summer and other overseas programmes are that Summer offers virtual summer programmes from partner universities, remote local or overseas internships, and local summer schools. These alternatives provide students with opportunities to continue expanding their knowledge and enhance their learning experiences, even in the face of global travel restrictions. Additionally, Summer offers a range of programmes that cater to different interests and needs, allowing students to choose the best fit for their learning goals.\nAs for why you should consider Summer, the programme offers a unique blend of virtual and local learning experiences that can help you expand your knowledge, develop new skills, and enhance your learning experiences. With a range of programmes to choose from, you can select the one that best fits your interests and needs. Plus, the programme's focus on alternative learning opportunities ensures that you can continue to learn and grow, even in the face of global challenges." Summer Programmes provide students with short-term opportunities to enrich their academic experiences and broaden their perspectives. Gain insights into a new culture and form new networks during your summer vacations. Students can choose from a wide range of exciting and transformative short term overseas experiences offered by partner universities from our global networks. There are two types of Summer Programmes - partially sponsored programmes and self-paid programmes. Programme duration range from 2 to 14 weeks and applications typically starts from February to July. Students have the option to transfer up to 24 SUTD credits for selected programmes. To better the world, first see and experience the world! GEXP provides SUTD undergraduates a once-in-a-lifetime opportunity to experience an international education and cultural immersion. To live and study in another country is an exciting opportunity that promises a fulfilling and rewarding experience! Develop global perspectives Cultural immersion Networking opportunities Personal and professional growth Ambassador of SUTD and Singapore Value add to your resume What is GEXP? Spend a term at an overseas host university in Fall Term (after Term 5) or Spring Term (Term 6) Transfer up to 48 SUTD credits for passed courses towards fulfilling SUTD graduating requirements Grades will not be transferred and counted towards CGPA Continue to pay Term 6 tuition fees (including Compulsory Miscellaneous Fees) to SUTD while tuition fees at the host university is waived Eligibility Enrolled as full-time SUTD Student (students currently on leave of absence or gap year are not eligible) Sound academic record of CGPA of 3.0 and above at the point of application (students should maintain the CGPA of 3.0 and above every term up till the exchange term without failing any subjects before embarking on exchange) Pass all subjects (students should ensure that any outstanding boot camps or re-tests should not happen during their exchange term) A clean disciplinary record Satisfy host country's CGPA and/or other academic requirements Outstanding Fifth Row records Eager to learn new things, make new friends and embrace new cultures Ensure no restrictions involving overseas study, if holding any existing scholarship Motivated to be a strong ambassador for SUTD and Singapore Have sufficient financial means to self-pay for all necessary exchange expenses Satisfy host country's entry requirements for nationality	Accuracy: 5/5 Relevance: 5/5 Grounded in Retrieved Context: 5/5	Accuracy: 5/5 Relevance: 5/5 Grounded in Retrieved Context: 5/5	Accuracy: 5/5 Relevance: 5/5 Grounded in Retrieved Context: 5/5
What are the Summer Programmes available? Is GLP same as Summer?"	"\nThe Summer Programmes available at SUTD include virtual summer programmes offered by partner universities, as well as local summer schools and remote internships. The GLP (Global Learning Programme) is not the same as Summer, but rather an alternative learning opportunity for students who cannot participate in international travel due to global travel restrictions. In 2021, SUTD offered 30 online summer programmes from partner universities, as well as other local learning experiences such as remote internships and summer schools."
